Siddhiverse Tech Pvt Ltd (STPL)

# STPL Enterprise Architecture training

5 Day training

Anuj Shahi & Shashi Shekhar

[www.siddhiconsulting.org](http://www.siddhiconsulting.org)

# EA Implementation training

## Day 1

- Course overview
- Introduction of participants
- Overview of EA
- Course introduction
- Framework overview
- Case study 1 – Winchester house
- Case study 2 – Paris Guide
- Framework components
- Introduction to Architecture Method
- Enterprise Continuum
- Architecture repository
- Architecture content framework
- Metamodel
- EA Tool Demo for Repository, Content, Meta model and IAV- Impact Analysis Visualization clarification
- Quiz 1

## Day 2

- Wakeup Quiz 1
- Preliminary Phase of Architecture method
- Archinsurance Case study introduction

[www.siddhiconsulting.org](http://www.siddhiconsulting.org)

- Case study 3- Drivers
- Architecture Governance
- Business Scenarios
- Stakeholder management
- Views and viewpoints
- Building Blocks
- Implementation support
- Case study 4 - Business transformation readiness assessment

## Day 3

- Wakeup Quiz 2
- Architecture Vision
- Business architecture
- Case study 5 - Business architecture
- Business architecture views and viewpoints
- Overview of IS architecture
- Data architecture
- Data architecture views and viewpoints
- III RM
- Application architecture
- Application architecture views and viewpoints
- Foundation architecture
- Technology architecture
- Technology architecture views and viewpoints
- Migration planning
- Opportunities and solutions

[www.siddhiconsulting.org](http://www.siddhiconsulting.org)

- Migration planning
- Consolidated gap analysis and dependencies

## **Day 4**

- Wakeup Quiz 3
- Implementation governance
- Architecture change management
- Architecture requirements management
- Architecture partitioning
- Iterations
- Security architecture
- Architecture maturity model
- Architecture skills framework
- Q & A
- Clarification
- Conclusion and feedback
- Case study 7 - EA/ SA
- Mock Test Part1

www.siddhiconsulting.org

## Day 5

- Sample SOW of EA Project
- Case study for EA assessment
- Case study of a EA Implementation including the followed methodology
- Group activity for architectural modelling of Archi-insurance

## Imperative information

Mode of Training	Online through MS Team
Time duration	9.30am to 4.30pm IST
Course fees	125K INR + GST
Next batch	Based on demand basis
